SYMPTOMS OF CATAPRIL—Dull, heavy headache, obstruction of the masal pussages, discharges falling from the head late the throat, sometimes profuse, watery, and acril, at others, thick tenacious, mucous, purulent, bloody and putrid; the eyes are weak and watery; there is a ringing in the ears, deathess, hacking or coughing to clear the throat, expectoration of offensive matter, together with scales from uncess; the voice is changed and has a "masal twang"; the breath is offensive; smell and taste are impaired, there is a sensation of diminess, with mental depression, a lacking cough and general debility. Only a few of the above mamed symptoms are likely to be present in any one case. Thousands of cases annually, without manifesting half of the above symptoms, result in consumption and end in the grave. No disease is so common, more deceptive and dangerous, or less understood by paveiclass.

By its mild, soothing and healing properties, Dr. Sage's Catarrh Remedy cures the worst cases of Cutarrh, "Cold in the Head,"

Prof. W. HAUSNES, the famous memerist, of Ithaca, N. Y., writes: Some ten years ago I suffered untold arony from chronic maniferature. My family physician gave me up as incural se, and s...1 I must die. My cisc was such a bad one, that every day, towards sunset, my voice would become so hoarse I could barely speak above a whisper. In the morning my coughing and clearing of my throat would almost strangle me. By the use of Dr. Sare's Catarrh Remedy, in three months, I was a well man, and the cure has been permanent."

Constantly Dawking and Spitting" "Constantly Hawking and Spitting."

THOMAS J. RUSHING, ESq., 2002 Pine Street, St. Louis, Mo., writes: "I was a great sufferer from catarrh for three years. At times I could hardly breathe, and was constantly hawking and spitting, and fir the last eight months could not breathe through the nostrils. I thought nothing could be done for me. Luchily, I was advised to try Dr. Sage's Catarrh Remedy, and I am now a well man. I believe it to be the only sure remedy for cutarrh now manufactured, and one has only to give it a fair trial to experience astounding results and a permanent cure."

A complete Treatise on Catarrh, giving valu-ble hints as to clothing, diet and other matters of importance, will be mailed, post-pall to any didress, on receipt of a two-cent postage stamp.
